Ed Snider was a visionary sports mogul who founded the Philadelphia Flyers and was instrumental in the growth of the National Hockey League.

He was also a successful entrepreneur and philanthropist, and his legacy will continue to impact the Philadelphia community for years to come.

Early Life and Career

Ed Snider was born in Philadelphia on January 6, 1933. He attended Central High School and then Temple University, where he earned a degree in business administration. After graduating from Temple, Snider worked as a salesman for a clothing company. In 1965, he founded Comcast, a cable television company that would eventually become one of the largest in the United States.

Founding the Philadelphia Flyers

In 1966, Snider was awarded the NHL expansion franchise for Philadelphia. He named the new team the Flyers, and they began play in the 1967-68 season. The Flyers quickly became one of the most popular teams in the NHL, and they won their first Stanley Cup championship in 1974. Snider was a hands-on owner, and he was known for his passion for the Flyers and his commitment to winning.

Growth of the NHL

Snider was a key figure in the growth of the NHL. He was one of the founders of the NHL Players' Association, and he helped to negotiate the first collective bargaining agreement between the players and the league. Snider also played a major role in the expansion of the NHL into new markets, and he was instrumental in the creation of the World Hockey Association.

Comcast Spectacor

In 1971, Snider founded Comcast Spectacor, a sports and entertainment company that owned the Flyers and several other professional sports teams. Comcast Spectacor also operated several arenas and stadiums, including the Wachovia Center and the Wells Fargo Center in Philadelphia. Snider was the chairman and CEO of Comcast Spectacor until his death in 2016.

Philanthropy

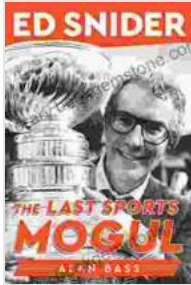

Snider was a generous philanthropist, and he donated millions of dollars to various charities. He was particularly passionate about supporting youth hockey programs, and he founded the Ed Snider Youth Hockey Foundation in 1989. The foundation has provided grants to hundreds of youth hockey programs across the United States.

Legacy

Ed Snider was a true pioneer in the sports industry. He was a visionary leader who helped to shape the modern NHL. He was also a successful entrepreneur and philanthropist, and his legacy will continue to impact the Philadelphia community for years to come.

Additional Information

- Snider was inducted into the Hockey Hall of Fame in 1988.
- He was awarded the Lester Patrick Trophy in 1994 for his contributions to hockey in the United States.
- The Flyers have retired Snider's number 88 in his honor.
- The Ed Snider Youth Hockey Foundation has awarded over \$30 million in grants to youth hockey programs across the United States.
