Vonn was born in St. Paul, Minnesota, on October 18, 1984. She began skiing at the age of two, and she started racing competitively at the age of nine. Vonn quickly rose through the ranks of the ski racing world, and she made her World Cup debut at the age of 16. She won her first World Cup race in 2004, and she has been one of the top skiers in the world ever since.

Vonn has won 82 World Cup races in her career, which is more than any other female skier in history. She has also won 20 World Championship medals, including two gold medals. Vonn is known for her aggressive skiing style and her ability to win in all disciplines. She is a four-time World Cup overall champion, and she has also won the World Cup downhill title four times.

Vonn is one of the most decorated skiers in history. She has been named the AP Female Athlete of the Year twice, and she has been awarded the Laureus World Sportswoman of the Year Award. Vonn is also a member of the U.S. Ski and Snowboard Hall of Fame.

Vonn retired from ski racing in 2019. She is now a commentator for NBC Sports and a spokesperson for several brands. Vonn is also a philanthropist, and she has worked with several charities, including the Lindsey Vonn Foundation, which supports young skiers.
