Print length	: 184 pages

This workbook is designed to help you with every step of the job search process, from identifying your career goals to writing a strong application. It includes exercises, worksheets, and tips from experts in the field.

## What's Inside the Workbook?

The workbook is divided into three sections:

1. **Section 1: Getting Started**
2. **Section 2: Writing a Strong Application**
3. **Section 3: Finding the Right Fit**

## **Section 1: Getting Started**

This section will help you identify your career goals, research different types of psychology jobs, and develop a strong resume and cover letter.

## **Section 2: Writing a Strong Application**

This section will teach you how to write a strong CV, personal statement, and research proposal. It also includes tips on how to interview for a psychology job.

## **Section 3: Finding the Right Fit**

This section will help you identify the right fit for your career goals. It includes tips on how to network, find mentors, and negotiate a salary and benefits package.

## **Benefits of Using the Workbook**

The APAGS Workbook for Writing Successful Applications and Finding the Right Fit can help you:

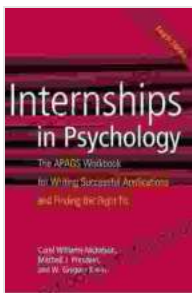

- Identify your career goals
- Research different types of psychology jobs

- Develop a strong resume and cover letter
- Write a strong CV, personal statement, and research proposal
- Interview for a psychology job
- Find the right fit for your career goals

If you're a graduate student or early career professional in psychology, the APAGS Workbook for Writing Successful Applications and Finding the Right Fit is a valuable resource that can help you succeed in the job market.
