Logan and his team must race against time to find the scientist and stop those who kidnapped him. They soon discover that the kidnappers are a powerful and ruthless organization that will stop at nothing to achieve their goals.

As Logan and his team get closer to the truth, they must face their own demons and confront the horrors of war. They must also make impossible choices that could have life-or-death consequences.

The Polaris Protocol is a heart-pounding thriller that will keep you on the edge of your seat from beginning to end. Brad Taylor's writing is gripping and his characters are unforgettable.

Praise for The Polaris Protocol

"Brad Taylor's The Polaris Protocol is a non-stop thrill ride that will keep you guessing until the very end. Pike Logan is a complex and compelling character, and the action is relentless. This is one of the best thrillers I've read all year." - Vince Flynn, #1 New York Times bestselling author

"The Polaris Protocol is a fast-paced thriller that will appeal to fans of Brad Taylor's previous Pike Logan novels, as well as to readers who enjoy military thrillers in general. The action is non-stop and the characters are well-developed. I highly recommend this book." - Booklist

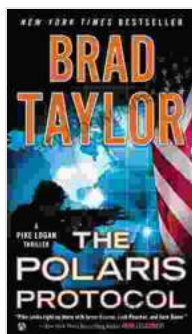

About Brad Taylor

Brad Taylor is a retired Army Special Forces lieutenant colonel and the #1 New York Times bestselling author of the Pike Logan thrillers. He has served multiple combat tours in Iraq and Afghanistan, and his writing is informed by his firsthand experience in the world of special operations.
